45% NEW FRENCH
OAK; NO FINING;
POLISH FILTERING

PRODUCTION: 750 CASES

ALCOHOL: 14.4%

TA: 0.57

PH: 3.72

RELEASE: JANUARY 2008

Our label design depicts the scene of the small pond that supports the watering of all the vineyards on our ranch. Willow reeds grow freely around the pond and create a haven for birds traveling through the area. The vineyard is planted in twenty-one year old St. Clair clone vines and is located in the heart of the Carneros district.

This luscious wine has aromas of sun-ripened raspberries, a hint of cherry cola and chocolate covered cherries. Flavors follow with undertones of dried cranberry, a touch of earthiness and savory spices. The finish is bright with round supple tannins and integrated oak highlights.
